Profile

Rebecca graduated from North London University in 1998 having completed a three-year degree course and social work qualification. She has been employed as a Social Worker within Local Authorities for 21 years, 15 of these have been at Senior Practitioner level.

She has extensive experience in social care across a wide range of disabilities including assessment and care planning with adults with physical health and mental health difficulties, both within the community and hospital settings.

She has a personal interest and experience in working with post-traumatic stress disorder (PTSD), traumatic brain injury and spinal injuries.

Rebecca has also been involved in working as a social work consultant for a Local Authority establishing links with the Continuing Health Care process.

Rebecca joined The Rehabilitation Network as a Case Manager in 2009. She is a registered Social worker with the General Social Care Council and is a member of the British Association of Social Workers.
