

The Rehabilitation Network

Rebecca Wincott

Case Manager

Profile

Rebecca graduated from North London University in 1998 having completed a three year degree course and social work qualification. She has been employed as a Social Worker within Local Authorities for 12 years, six of these have been at Senior Practitioner level.

She has extensive experience in social care across a wide range of disabilities including assessment and care planning with adults with physical health and mental health difficulties, both within the community and hospital settings. She has a personal interest and experience in working with traumatic brain injury and spinal injuries.

Rebecca has also been involved in working as a social work consultant for a Local Authority establishing links with the Continuing Health Care process for patients with traumatic brain injuries.

Rebecca has been with the Rehabilitation Network for nearly two years. She is a registered Social worker with the General Social Care Council, is registered with the Case Management Society UK and is a member of the British Association of Social Workers.
